Congratulating

The Hong Kong Hospital Authority On Your 30th Anniversary!

≈ It is our great honor to support you ≈

An International Multiple-Award Winning PPE and Exam Glove manufacturer

Tronex (Hong Kong) Limited is a subsidiary of American-based Tronex International, Inc.

Founded in 1989 in New Jersey, USA, Tronex is one of the most trusted and well-respected global brands of disposable personal protective equipment (PPE). Tronex manufactures and distributes a full range of head-to-toe protection in an 1100+ SKU product line – with a special focus on highly advanced medical-grade exam gloves – to companies in the healthcare, restaurant, hospitality, government and many other industries.

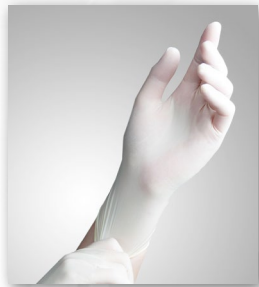

Recognized for its PPE expertise, Tronex continually demonstrates its capability as a solution provider to its customers' unique needs. By maintaining its steadfast focus on innovative R&D, highest-caliber manufacturing, consistent quality standards, and a vertically integrated supply chain, Tronex ensures outstanding value in its product as well as its customer focus.

We would be honored for the opportunity to share with you the elevated performance and value Tronex can offer.
